ABOUT US

Manufacturing Activewear for a Stronger, More Active World

WHO WE ARE

Olympiad Industries is a Sialkot-based custom apparel manufacturer and exporter, serving global buyers, fitness brands, retailers, gyms and private-label programs. We specialize in high-quality activewear, combining craftsmanship, innovation and a commitment to performance to help our partners bring stronger, more active communities to life worldwide.

WHAT WE DO

We design, develop and manufacture custom activewear, including leggings, sports bras, t-shirts, hoodies, shorts, tracksuits and more. From concept to final production, we provide end-to-end solutions for fitness brands, retailers, gyms and private-label programs, with a focus on quality, innovation, ethical manufacturing and on-time delivery.

CUSTOM MANUFACTURING

Turn your ideas into high-performance activewear with full customization options, fabrics, fits, colors and branding.

PRIVATE-LABEL SUPPORT

Complete branding solutions for fitness brands, retailers, gyms and organizations, from design to production and packaging.

ACTIVWEAR RANGE

A wide range of activewear including leggings, sports bras, t-shirts, shorts, hoodies, tracksuits and more for training, gym and everyday performance.

GLOBAL B2B FOCUS

Trusted by international buyers, fitness brands, retailers and private-label programs, with reliable quality, scalable production and worldwide shipping.
