# ABOUT US

A Global Partner in Custom Sportswear Manufacturing

## WHO WE ARE

Olympiad Industries is a Sialkot-based custom apparel manufacturer and exporter, specializing in high-quality sportswear for teams, clubs, academies and private-label brands worldwide. With a passion for performance and a commitment to excellence, we turn your vision into winning apparel.

## WHAT WE DO

We design, develop and manufacture custom sportswear, including football, basketball, training wear, track suits and more. From concept to final production, we provide end-to-end solutions for teams, clubs, academies and private-label brands, with a focus on quality, innovation and on-time delivery.

### CUSTOM DEVELOPMENT

Turn your ideas into high-performance apparel with full customization options.

### PRIVATE-LABEL SUPPORT

Complete branding solutions for your team, club or retail brand.

### SPORTSWEAR RANGE

Jerseys, training wear, track suits, hoodies and more for all major sports.

### CONNECTED WORKFLOW

From design to delivery, a streamlined process for consistent quality and on-time shipment.

# WHY CHOOSE US

At Olympiad Industries, we go beyond manufacturing. We deliver performance, partnership and possibility — helping teams, clubs and brands turn their vision into reality.

## FROM IDEAS TO IMPACT

CUSTOM SPORTSWEAR  
THAT PERFORMS  
WORLDWIDE

### CUSTOM DESIGN & DEVELOPMENT

Turn your ideas into unique sportswear. Our design team works with you to create custom styles, patterns and performance solutions.

### SPORTSWEAR-FOCUSED RANGE

Specialized in football, soccer and teamwear with a wide range of kits, training wear, warm-ups and lifestyle apparel for all levels of play.

### PRIVATE-LABEL SUPPORT

Full support for private-label brands, clubs, schools and organizations — from design to production, packaging and custom branding.

### FLEXIBLE CUSTOMIZATION

Choose your fabrics, colors, fits, logos, player names and numbers. We offer low to high volume production with the flexibility your business needs.

### QUALITY-FOCUSED WORKFLOW

From fabric selection to final inspection, our quality process ensures consistent performance, durability and finish in every product.

### CLEAR B2B COMMUNICATION

A dedicated team, responsive support and transparent processes keep you informed at every stage — because strong partnerships build stronger results.
